

# SANJIV PRASAD

## FULLSTACK DEVELOPER INTERN

+91 9561552194

 [Sanjiv Pasad](#)

 Sanjivprasad360@gmail.com

## OBJECTIVE

- B.Tech CSE (AI/ML) student and Full-Stack Developer focused on building real-world, production-oriented applications with Python, FastAPI, React, and modern databases.
- Experienced in full-stack development through an IIT Patna internship, client projects, and open-source development, including Vigilo, a Python static security scanner.
- Passionate about backend architecture, AI applications, cybersecurity, and developer tools, with a strong focus on learning by building and solving real-world problems.

## EDUCATION

### Present

SVYASA University

### Bachelor of technology(B-Tech)

Developing strong fundamentals in programming, data structures, and software development. Working on academic projects with hands-on experience in Python and web technologies.

### 2023 - 2025

GS Vidya Mandir

### Higher Secondary Education (HSC)

Completed higher secondary studies with a focus on mathematics and science fundamentals. Developed analytical thinking, problem-solving skills, and academic discipline.

## EXPERIENCE

### 2025- 2025

Code Alpha

### Frontend developer intern

Developed responsive user interfaces using HTML, CSS, and JavaScript. Focused on clean design, usability, and cross-browser compatibility.

### 2026- 2026

IIT PATNA

### Fullstack developer intern

Developed scalable full-stack web applications, integrating responsive frontends, RESTful APIs, databases, authentication, and deployment workflows.

## SKILLS

- |                  |              |             |                 |
|------------------|--------------|-------------|-----------------|
| • Leadership     | • HTML       | • React     | • MySQL         |
| • Rapid Learning | • CSS        | • Vite      | • MongoDB       |
| • Python         | • Javascript | • FastAPI   | • Collaboration |
| • Numpy          | • JQuery     | • ExpressJS | • Deployment    |
| • Pandas         | • Typescript | • NodeJS    | • AI Tools      |

# PROJECTS

---

## My Portfolio

This is my portfolio, created using the latest simple Vite with some connection to an API and also deployed.
